Don't settle for second best...

Choose PANDA and trust that you're ready for the future

When you buy from OE you're preparing for the future. USB Power Delivery is upon us, but technology will continue to be developed; why buy something that can't be upgraded easily and cost effectively? With PANDA or POLARICE you can upgrade the USB charger in situ without an electrician. While you're at it you could change the colour of the unit!
